Sub:- Implementation of National De-Worming Program in Private Schools of Delhi.

Sir,

As you are aware, National Deworming Programme, the flagship programme of Govt. of India, is being executed successfully in Delhi through commendable cooperation of DOE and as per directions from Child Division of MoHFW GOI National Deworming Programme is being implemented in both Govt./Govt. Aided & Private school going children. Moving further, we need to continue this momentum for this round which will be implemented on 10th August 2018(National Deworming Day) and MOP UP DAY for left out children on 17th August 2018. In the said Programme, single dose of Albendazole chewable tablets will be distributed to all Participating/Willing Private school for students from class 6th to 12th. The Albendazole tablet will be administered to school children in the presence of class teacher on 10/08/18(Friday) & for left out children on 17/08/18(Friday)

You may please issue an advisory to all private unaided Recognized Schools desirous to implement National De-Worming Program for August 2018 round (as issued for Feb 2018 round) in their schools wherein School Health Scheme of Directorate General of Health Services will provide Tab Albendazole (400mg, chewable Tablet) to all school children as single dose on National De-Worming Day i.e. 10/08/2018 & on Mop up day i.e. 17/08/2018(for left out students) to be administered in School itself under supervision of the class teacher.

Head of Private Unaided Recognized School may be directed to send nominations of a Nodal Teacher, strength of students in desired format (Annexure-1) to the concerned District incharges (SHS) to make necessary arrangement for training session and ERS(Emergency response system). The said information may be sent to concerned District incharges on their corresponding Email (mentioned below) For any queries, advised to contact Dr Meenakshi Garg, 8745011376 / Dr. Amod L Borle, Public Health Spl. Mob, 8745011776
