

POLITICAL SCIENCE
HOLIDAY HOMEWORK
CLASS XI

- The first draft of your project, as per the instructions given during the class and in the project guideline. The draft should be submitted as soon as the school reopens in July.
- Click a picture of all the register work inclusive of question answers cartoon explanations and notes. Mail it to me by 10th of June 2020 from your personal mail id.
- Keeping all the values and theories that you learnt in Political Theory in mind, observe your daily newspapers in cut out relevant pieces of news articles which highlight social economic or political problems faced by different sections of the society. Paste pictures with solutions from your end below it.
- This work needs to be done in a separate file, the number of news article should be more than 20 and explanations per cartoon should be more than hundred words mentioning all aspects of different policies.
